A. Introduction

- 1. Scope of Bid**

1.1 The purchaser has issued an invitation for bids for the procurement of goods and related services as specified in Section V. Schedule of Requirements. The name and identification number of the contract, and number and description of the lot(s), are specified in the bid data sheet (BDS).

1.2 The purchaser of the purchaser's country **identified in the BDS**, is not bound to accept any bid, and reserves the right to cancel the procurement at any time prior to contract award, without thereby incurring any liability to any bidder.
- 2. Source of Funds**

2.1 The Project (hereinafter called "the borrower") **specified in the BDS** has received a financing from the International Fund for Agricultural Development ("the Fund") in various currencies equivalent to the amount **specified in the BDS** towards the cost of the project **named in the BDS**, and intends to apply a portion of the proceeds of this loan/grant to eligible payments under this contract. Payment by IFAD will be made only at the request of borrower and upon approval by IFAD, and will be subject, in all respects, to the terms and conditions of the financing agreement. The financing agreement prohibits a withdrawal from the loan and/or grant account for the purpose of any payment to persons or entities, or any payment prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations.
- 3. Prohibited Practices**

3.1 The Fund requires that all beneficiaries of IFAD funding, including the purchaser and any bidders, implementing partners, service providers, suppliers, sub-suppliers, contractors, sub-contractors, consultants, sub-consultants, and any of their agents (whether declared or not) and personnel observe the highest standards of ethics during the procurement and execution of such contracts, and comply with IFAD's Policy on Preventing Fraud and Corruption in its Activities and Operations, revised on 12 December 2018 and attached as Section VIII of this document (EB 2018/125/R.6, hereinafter "IFAD's Anti-Corruption Policy").

3.2 For the purposes of these provisions, and consistent with IFAD's Anticorruption Policy, the terms set forth below are defined as follows, and sometimes referred to collectively as "prohibited practices":

 - a) "*corrupt practice*" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value in order to improperly influence the actions of another party;

- b) “*fraudulent practice*” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party in order to obtain a financial or other benefit or to avoid an obligation;
- c) “*collusive practice*” is an arrangement between two or more parties designed to achieve an improper purpose, including improperly influencing the actions of another party;
- d) “*coercive practice*” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of any party, to improperly influence the actions of that or another party;
- e) “*obstructive practice*” is (i) deliberately destroying, falsifying, altering or concealing evidence that may be material to an investigation by the Fund or making false statements to investigators in order to materially impede an investigation by the Fund; (ii) threatening, harassing or intimidating any party in order to prevent that party from disclosing its knowledge of matters relevant to an investigation by the Fund or from pursuing such an investigation; and/or (iii) the commission of any act intended to materially impede the exercise of the Fund’s contractual rights of audit, inspection and access to information.

3.3 The Fund will deny approval of a proposed contract award if it determines that the firm or individual recommended for award, or any of its personnel or agents, or its sub-consultants, sub-contractors, service providers, suppliers, sub-suppliers and/or any of their personnel or agents, has, directly or indirectly, engaged in any of the prohibited practices in connection with an IFAD-financed and/or IFAD-managed activity or operation, including in competing for the contract.

3.4 In accordance with IFAD’s Anticorruption Policy, the Fund has the right to sanction firms and individuals, including by declaring them ineligible, either indefinitely or for a stated period of time, to participate in any IFAD-financed and/or IFAD-managed activity or operation. This may include ineligibility to: (i) be awarded or otherwise benefit from any IFAD-financed contract, financially or in any other manner; (ii) be a nominated sub-contractor, consultant, manufacturer, supplier, sub-supplier, agent or service provider of an otherwise eligible firm being awarded an IFAD-financed contract; and (iii) receive the proceeds of any loan or grant provided by the Fund.¹ The Fund also has the right

to unilaterally recognize debarments by any of the International Financial Institutions that are members to the Agreement for Mutual Enforcement of Debarment Decisions if such debarments meet the requirements for mutual recognition under the Agreement for Mutual Enforcement of Debarment Decisions.

3.5 In addition, the Fund has the right to, at any time, declare a misprocurement and/or the ineligibility of any expenditures associated with a procurement process or contract if it determines that prohibited practices occurred in connection with this procurement process or contract and that the borrower/recipient has not taken timely and appropriate action, satisfactory to the Fund, to address such practices when they occur.

3.6 Bidders, suppliers, consultants, contractors, and their sub-contractors, sub-consultants, service providers, suppliers, agents and personnel, are required to fully cooperate with any investigation conducted by the Fund into possible prohibited practices, including by making personnel available for interviews and by providing full access to any and all accounts, premises, documents and records (including electronic records) relating to the relevant IFAD-financed and/or IFAD-managed operation or activity and to have such accounts, premises, records and documents audited and/or inspected² by auditors and/or investigators appointed by the Fund.

3.7 The bidder is obliged to disclose relevant prior sanctions and criminal convictions and any commissions or fees paid or are to be paid to any agents or other party in connection with this procurement process or the execution of the contract.

For the purpose of this provision, and consistent with

² Inspections include all fact-finding activities deemed relevant by the Fund to address allegations or other indications of possible prohibited practices. Such fact-finding activities may include, but are not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data or information (whether in hard copy or electronic format) deemed relevant for the investigation or audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verifications of information. It is the responsibility of the firm or individual under inspection to ensure effective compliance with their duty to cooperate vis-à-vis any potential local laws or regulations or other potentially conflicting obligations.

4.3 The bidder or supplier is required to disclose any relevant prior sanctions, convictions, disciplinary measures or criminal records.

5. Money laundering and Terrorist Financing

5.1 The Fund requires that all beneficiaries of IFAD funding or funds administered by IFAD, including the purchaser, any bidders, implementing partners, service providers and suppliers, observe the highest standards of integrity during the procurement and execution of such contracts, and commit to combat money laundering and terrorism financing consistent with IFAD's Anti-Money Laundering and Countering the Financing of Terrorism Policy.

6. SECAP Performance Standards

6.1 The resulting contract will be implemented in a manner consistent with IFAD's Social, Environmental and Climate Assessment Procedures (SECAP), available on <https://www.ifad.org/en/secap>.

7. Eligible Bidders and Conflict of Interest

7.1 This invitation for bids is open to all suppliers from eligible source countries except as provided hereinafter.

7.2 Any eligible entity may bid independently or in a joint venture (JV). In the case where a bidder is or proposes to be a JV

Conflict of Interest

- a) all members shall be jointly and severally liable for the execution of the contract; and
- b) the JV shall nominate a representative who will have the authority to conduct all business for and on behalf of any and all the members of the JV.

7.3 A bidder shall not have any actual, potential or reasonably perceived conflict of interest. A bidder shall declare in the bid submission form any actual, potential or reasonably perceived interest, regardless of its nature, that affects, may affect, or might reasonably be perceived by others to affect, impartiality in any matter relevant to the procurement process, including the selection process and the execution of the contract. A bidder with an actual, potential or reasonably perceived conflict of interest shall be disqualified, unless otherwise explicitly approved by the Fund. The purchaser requires that the bidder and the supplier hold the project's interests as paramount at all times, strictly avoiding any actual, potential or reasonably perceived conflicts of interest, including actual, potential or reasonably perceived conflicts with other assignments or their own personal and/or corporate interests, and act without any consideration for any other ongoing or future work. Without limitation on the generality of the foregoing, a bidder or supplier, including all parties constituting the bidder or supplier and their respective personnel and affiliates, as well as any subcontractors for any part of the contract, including related services, and their respective personnel and affiliates, may be considered to have an actual, potential or reasonably perceived conflict of interest and disqualified or terminated if they:

- b) have, may have or might reasonably appear to have the same legal representative as another bidder for purposes of this bid or execution of the contract; or

process for this procurement or during the execution of the contract;
or

- d) participate, may participate or might reasonably appear to participate in more than one bid in this process; participation by a bidder in more than one bid shall result in the disqualification of all bids in which the party is involved; however, this provision does not limit the inclusion of the same subcontractor in more than one bid; or
- e) are themselves, may be or might reasonably appear to be, or have, may have or might reasonably appear to have a business or family relationship with, a member of the purchaser's board of directors or its personnel, the Fund or its personnel, or any other individual was, has been or might reasonably be directly or indirectly involved in any part of (i) the preparation of this bidding document, (ii) the selection process for this procurement, or (iii) execution of the contract, unless the actual, potential or reasonably-perceived conflict stemming from this relationship has been explicitly authorized by the Fund.

7.4 A bidder that has been engaged by the purchaser to provide goods, works or services for a project, its personnel and any of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a bidder hired to provide consulting services for the preparation or implementation of a project, its personnel and any of its affiliates, shall be disqualified from subsequently providing goods, works or non-consulting services resulting from or directly related to such consulting services for such preparation or implementation.

7.5 A bidder and the supplier shall have an obligation to disclose any situation of actual, potential or perceived conflict of interest that impacts, may impact, or might reasonably appear to be perceived by others to impact, their capacity to serve the best interest of the purchaser. Failure to properly disclose any of said situations may lead to appropriate actions, including the disqualification of the bidder, the termination of the Contract and any other as appropriate under the IFAD Policy on Preventing Fraud and Corruption in its Projects and Operations.

7.6 A bidder or supplier, all parties constituting the bidder or supplier, and any subcontractors for any part of the Contract, including related services, and their respective personnel and affiliates, will not be any person or entity under a declaration of ineligibility by the Fund for having engaged in prohibited practices as contemplated by ITB clause 3 above. The Fund also has the right to unilaterally recognize debarments by any of the International Financial Institutions that are members to the Agreement for Mutual Enforcement of Debarment Decisions if such debarments meet the requirements for mutual recognition under the Agreement for Mutual Enforcement of Debarment Decisions.

7.7 A bidder or supplier, all parties constituting the bidder or supplier, and any subcontractors for any part of the contract, including related services, and their respective personnel and affiliates not otherwise made ineligible for a reason described in this ITB Clause 7 will nonetheless be excluded if:

- a) as a matter of law or official regulation, the Government prohibits commercial relations with the country of the bidder or Supplier (including any Associates, Subcontractors and any respective affiliates) provided that the Fund is satisfied that such exclusion does not preclude effective competition for the supply of goods or the contracting of works or services required; or
- b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government prohibits the issuance of a payment.

8. Eligible Goods and Services 8.1 All goods and related services to be supplied under the contract shall have their origin in eligible source countries.

8.2 For purposes of this clause, “origin” means the place where the goods are mined, grown, or produced, or the place from which the related services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components.

8.3 The origin of goods and services is distinct from the nationality of the bidder.

9. Cost of Bidding 9.1 The bidder shall bear all costs associated with the preparation and submission of its bid, and the purchaser will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

11. Clarification of Bidding Documents

11.1 A prospective bidder requiring any clarification of this bidding document shall contact the purchaser in writing, by email at the purchaser's address **indicated in the BDS**. The purchaser will respond to any request for clarification, provided that such a request is received no later than the date and time **indicated in the BDS**. 11.2 The bidder's designated representative is invited to attend a pre-bid conference, **if provided for in the BDS**. The purpose of the conference will be to clarify the issues and to answer questions on any matter that may be raised at that stage.

11.3 Minutes of the pre-bid conference, including the text of the questions and answers related to the conference, without identifying the source, shall be transmitted in writing to all bidders who have registered or obtained the bidding document directly from the purchaser. Any modification to this bidding document that may become necessary as a result of the pre-bid conference shall be made by the purchaser exclusively through the issue of an addendum and not through the minutes of the pre-bid conference.

12. Amendment of Bidding Documents

12.1 At any time prior to the deadline for submission of bids, the purchaser may amend this bidding document by issuing addenda.

12.2 All addenda issued shall be part of this bidding document and shall be communicated in writing to all bidders that have registered or obtained the bidding document directly from the purchaser.

 - (i) withdraws its bid during the period of bid validity specified by the bidder on the bid form, or
 - (ii) does not accept the correction of errors pursuant to ITB clause 29.2; or
- b) in the case of a successful bidder, if the bidder fails:
 - (i) to sign the contract in accordance with ITB clause 40; or
 - (ii) to furnish performance security in accordance with ITB clause 41.

21. Bid Validity

21.1 Bids shall remain valid for the period specified **in the BDS** after the date of bid submission prescribed by the purchaser, pursuant to ITB clause 24. A bid valid for a shorter period shall be rejected by the purchaser as non-responsive.

21.2 In exceptional circumstances, the purchaser may solicit the bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The bid security provided under ITB clause 20 shall also be suitably extended. A bidder may refuse the request without forfeiting its bid security. A bidder granting the request will not be required nor permitted to modify its bid. The request shall be made during the original period of validity.

22. Format and Signing of Bid

22.1 The bidder shall prepare an original and the number of copies of the bid indicated **in the BDS**, clearly marking each "ORIGINAL BID" and "COPY OF BID", as appropriate. In the event of any discrepancy between them, the original shall govern.

22.2 The original and the copies of the bid shall be typed or written in indelible ink and shall be signed by the bidder or a person or persons duly authorised to bind the bidder to the contract. All pages of the bid, except for unamended printed literature, shall be initialed by the person or persons signing the bid.

22.3 Any interlineations, erasures or overwriting shall be valid only if they are initialed by the person or persons signing the bid.

22.4 The bidder shall furnish information as described in the form or bid on commissions or gratuities, if any, paid or to be paid to agents relating to this bid, and to contract execution if the bidder is awarded the contract.

D. Submission of bids

23. Sealing and Marking of Bids

23.1 The bidder shall seal the original and each copy of the bid, in separate envelopes, duly marking the envelopes as “ORIGINAL” and “COPY”. The envelopes shall then be enclosed in an outer envelope and sealed.

23.2 The inner and outer envelopes shall:

- a) indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared “late”;
- b) be addressed to the purchaser at the address given **in the BDS**; and
- c) bear the project name indicated **in the BDS**, the invitation for bids title and Procurement Number indicated **in the BDS**, and a statement: “DO NOT OPEN BEFORE,” to be completed with the time and the date specified **in the BDS**.

23.3 If the outer envelope is not sealed and marked as required by ITB Clause 23.2, the purchaser will assume no responsibility for the bid’s misplacement or premature opening.

24. Deadline for Submission of Bids

24.1 Bids must be received at the address indicated in ITB 23.2(b) and by the time and date specified **in the BDS**.

25. Late Bids

25.1 Any bid received by the purchaser after the deadline for submission of bids prescribed by the purchaser pursuant to ITB clause 24 will be rejected and returned unopened to the bidder.

26. Withdrawal of Bids

26.1 The bidder may withdraw its bid after the bid’s submission, provided that written notice is received by the purchaser prior to the deadline prescribed for submission of bids.

26.2 The bidder’s withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of ITB clause 23 but in addition the envelopes shall be clearly marked “WITHDRAWAL”. A withdrawal notice may also be sent by fax or email, but followed a signed confirmation copy, postmarked not later than the deadline for submission of bids.

26.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the bidder on the bid form. Withdrawal of a bid during this interval may result in the bidder’s forfeiture of its bid security, pursuant to ITB clause 20.

E. Opening and evaluation of bids

- 27. Opening of Bids by the Purchaser**
- 27.1 The purchaser will open all bids in the presence of bidders' representatives who choose to attend, at the time, on the date, and at the place specified **in the BDS**. The bidders' representatives who are present shall sign a register evidencing their attendance.
- 27.2 The bidders' names, withdrawals, bid prices, discounts, and the presence or absence of the requisite bid security and such other details as the purchaser, at its discretion, may consider appropriate, will be announced at the opening. No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened to the bidder pursuant to ITB clause 25.
- 27.3 Bids that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances.
- 27.4 The purchaser will prepare minutes of the bid opening and a copy of which is to be sent promptly to the participating bidders and IFAD.
- 28. Clarification of Bids**
- 28.1 During evaluation of the bids, the purchaser may, at its discretion, ask the bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.
- 29. Preliminary Examination**
- 29.1 The purchaser will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- 29.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless there is an obvious discrepancy in placement of the decimal point. If there is a discrepancy between words and figures, the amount in words will prevail unless the words do not reflect the correct value of the sum of the items' respective value. If the bidder does not accept the correction of the errors, its bid shall be rejected, and its bid security may be forfeited.
- 29.3 The purchaser may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

29.4 Prior to the detailed evaluation, pursuant to ITB clause 30, the purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one that conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning bid security (ITB clause 20), applicable law (GCC clause 34), and taxes and duties (GCC clause 36), will be deemed to be a material deviation. The purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

29.5 If a bid is not substantially responsive, it will be rejected by the purchaser and may not subsequently be made responsive by the bidder by correction of the nonconformity.

30. Evaluation and Comparison of Bids

30.1 The purchaser will evaluate and compare the bids which have been determined to be substantially responsive, pursuant to ITB clause 29.

30.2 The purchaser's evaluation of a bid will exclude and not take into account:

- a) in the case of goods manufactured in the purchaser's country or goods of foreign origin already located in the purchaser's country, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the bidder;
- b) in the case of goods of foreign origin offered from abroad, customs duties and other similar import taxes which will be payable on the goods if the contract is awarded to the bidder; and

30.3 The purchaser shall then apply the bid evaluation criteria, if any, as indicated in the BDS and thereafter compare the evaluated prices of all substantially responsive bids established in accordance with ITB 30.2, ITB 17 and ITB 29.2 to determine the bid with the "best value for money". The comparison shall be on the basis of CIP (place of final destination) prices for imported goods and EXW prices after applying the aforementioned stipulated bid evaluation criteria, plus cost of inland transportation and insurance to place of destination, for goods manufactured within the borrower's country, together with prices for any required installation, training, commissioning and other services. The evaluation of prices shall not take into account custom duties and other taxes levied on imported goods quoted CIP and sales and similar taxes levied in connection with the sale or delivery of goods.

30.4 Bids shall be evaluated on item-by-item basis if so indicated in the **BDS**. Otherwise, if bids are being invited for individual lots (contracts) or for any

combination of lots (packages) then the bid evaluation shall be on lot-by-lot basis. Unless otherwise **specified in the BDS**, prices quoted shall correspond to 100 % of the items specified for each lot and to 100% of the quantities specified for each item of a lot. Bidders wishing to offer discounts for the award of more than one Contract (lot) shall specify in their bid the price reductions applicable to each package, or alternatively, to individual Contracts within the package. Discounts shall be submitted in accordance with ITB 16.6 provided the bids for all lots (contracts) are opened at the same time. The purchaser, after calculating the impact of the offered discounts by the various bidders, shall determine the combination of contract awards that will result in the lowest overall cost of the entire procurement covered by this invitation to bid.

31. Abnormally Low Bids 31.1 An abnormally low bid is one where the bid price, in combination with other constituent elements of the bid, appears unreasonably low to the extent that the bid price raises material concerns with the purchaser as to the capability of the bidder to perform the contract for the offered bid price.

31.2 In the event of identification of a potentially abnormally low bid, the purchaser shall seek written clarification from the bidder, including a detailed price analysis of its bid price in relation to the subject matter of the contract, scope, delivery schedule, allocation of risks and responsibilities and any other requirements of the bidding document.

31.3 After evaluation of the price analysis, in the event that the purchaser determines that the bidder has failed to demonstrate its capability to perform the contract for the offered bid price, the purchaser shall reject the bid.

32. Contacting the Purchaser 32.1 From the time of bid opening to the time of contract award, if any bidder wishes to contact the purchaser on any matter related to the bid, it should do so in writing.

32.2 Any effort by a bidder to influence the purchaser in its decisions on bid evaluation, bid comparison, or contract award may result in the rejection of the bidder's bid.

F. Award of contract

- 33. Post-
Qualification**
- 33.1 In the absence of pre-qualification, the purchaser will determine to its satisfaction whether the bidder that is selected as having submitted the lowest priced responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB clause 18.3.
- 33.2 The determination will take into account the bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the bidder's qualifications submitted by the bidder, pursuant to ITB clause 18.3, as well as such other information as the purchaser deems necessary and appropriate.
- 33.3 An affirmative determination will be a prerequisite for award of the contract to the bidder. A negative determination will result in rejection of the bidder's bid, in which event the purchaser will proceed to the next lowest evaluated bid to make a similar determination of that bidder's capabilities to perform satisfactorily.
- 34. Award Criteria**
- 34.1 Subject to ITB 37, ITB 38 and ITB 39, the purchaser shall award the contract to the successful bidder whose bid has been determined to be substantially responsive and has been determined to be the bid offering the best value for money as per the stipulated bid evaluation criteria, provided further that the bidder is determined to be qualified to perform the contract satisfactorily.
- 35. Purchaser's
Right to Vary
Quantities at
Time of Award**
- 35.1 The purchaser reserves the right at the time of contract award to increase or decrease, by the percentage indicated **in the BDS**, the quantity of goods and related services originally specified in the schedule of requirements without any change in unit price or other terms and conditions.
- 36. Purchaser's
Right to Accept
Any Bid and to
Reject Any or All
Bids**
- 36.1 The purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders.
- 37. Notice of
Intention to
Award**
- 37.1 Prior to the expiration of the period of bid validity, the purchaser shall send the notice of intent to award to the successful bidder. The notice of intent to award shall include a statement that the purchaser shall issue a formal notification of award and a draft contract agreement after expiration of the period for filing a bid protest by unsuccessful bidders and the resolution of any bid protests and or appeals that are submitted thereof. Delivery of the notice of intent to award **shall not constitute the formation of a contract** between the purchaser and the successful bidder

and no legal or equitable rights shall be created through the delivery of the notice of intent to award.

37.2 At the same time when it issues the notice of intent to award, the purchaser shall also notify, in writing, all other bidders of the results of the bidding. The purchaser shall promptly respond in writing to any unsuccessful bidder who, after receiving notification of the bid evaluation results, makes a written request for a debriefing, or submits a formal protest as provided in the IFAD Procurement Handbook.

38. Bid Protests

38.1 Bidders may protest the results of a procurement only in accordance with the rules and within the time periods established in the module M of the IFAD Procurement Handbook. In case the time periods/deadlines for submitting a protest under the borrower's national procurement system differ from those stipulated in the IFAD Procurement Handbook, the borrower's regulation shall apply.

39. Notification of Award

39.1 Upon expiration of the period for timely filing and the resolution of any bid protests (and appeals, as applicable) and prior to the expiration of the period of bid validity, the purchaser will notify the successful bidder in writing by registered letter that its bid has been accepted through a notification of award letter.

39.2 Until a formal contract is prepared and executed, the notification of award shall constitute a binding contract.

39.3 Upon the successful bidder's furnishing of the performance security pursuant to ITB clause 41, the purchaser will promptly notify the name of the winning bidder to each unsuccessful bidder and will discharge its bid security, pursuant to ITB clause 20.

40. Signing of Contract

40.1 At the same time as the purchaser notifies the successful bidder that its bid has been accepted, the purchaser will send the bidder the contract form provided in the bidding documents, incorporating all agreements between the parties.

40.2 Within fourteen (14) days of receipt of the contract form, the successful bidder shall sign and date the contract and return it to the purchaser.

41. Performance Security

41.1 Within fourteen (14) days of the receipt of notification of award from the purchaser, the successful bidder shall furnish the performance security in accordance with the conditions of contract, as per the performance security form provided in the bidding documents, or in another form acceptable to the purchaser.

41.2 Failure of the successful bidder to comply with the requirement of ITB clause 40.2 or ITB clause 41.1 shall constitute sufficient grounds for

the annulment of the award and forfeiture of the bid security, in which event the purchaser may make the award to the next lowest evaluated bidder or call for new bids after getting IFAD's no objection whenever applicable.

Any claims by the supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the supplier's receipt of the purchaser's change order.

As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at its discretion extend the supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of contract.

25.3 Except as provided under GCC clause 28, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of liquidated damages pursuant to GCC clause 26, unless an extension of time is agreed upon pursuant to GCC clause 25.2 without the application of liquidated damages.

26. Liquidated Damages

26.1 Subject to GCC clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to the percentage **specified in the SCC** of the delivered price of the delayed goods or unperformed services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage **specified in the SCC**. Once the maximum is reached, the purchaser may consider termination of the contract pursuant to GCC clause 27.

27. Termination for Default

27.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC clause 25;
- b) if the supplier fails to perform any other obligation(s) under the contract; or
- c) if the Fund determines that the supplier, or any of its sub-contractors, sub-consultants, suppliers, personnel or any agent or affiliate of any of them has, directly or indirectly, engaged in prohibited practices pursuant to GCC 4.

- d) If the purchaser becomes aware of any proven acts of sexual harassment, sexual exploitation and abuse by the supplier and/or its personnel, directly or through an agent, pursuant to GCC 5.

28.1 Notwithstanding the provisions of GCC clauses 25, 26, and 27, the supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure.

28.2 For purposes of this clause, “force majeure” means an event beyond the control of the supplier and not involving the supplier’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

29.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

30. Termination for Convenience

30.1 The purchaser, by written notice sent to the supplier, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the purchaser’s convenience, the extent to which performance of the supplier under the contract is terminated, and the date upon which such termination becomes effective.

30.2 The goods that are complete and ready for shipment within thirty (30) days after the supplier's receipt of notice of termination shall be accepted by the purchaser at the contract terms and prices. For the remaining goods, the purchaser may elect:

- a) to have any portion completed and delivered at the contract terms and prices; and/or
- b) to cancel the remainder and pay to the supplier an agreed amount for partially completed goods and services and for materials and parts previously procured by the supplier.

Attachment: Price Adjustment Formula

[Applicable only if so specified in the SCC and if delivery of the goods extends for a duration beyond 12 months from contract signature]

If in accordance with SCC 20.1, prices shall be adjustable, the following method shall be used to calculate the price adjustment:

Prices payable to the supplier, as stated in the contract, shall be subject to adjustment during performance of the contract to reflect changes in the cost of labor and material components in accordance with the formula:

$$P_1 = P_0 [a + bL_1 + cM_1] - P_0$$

$$L_0 \quad M_0$$

$$a+b+c = 1$$

in which:

P_1 = adjustment amount payable to the supplier.

P_0 = contract price (base price).

a = fixed element representing profits and overheads included in the contract price and generally in the range of five (5) to fifteen (15) percent.

b = estimated percentage of labor component in the contract price.

c = estimated percentage of material component in the contract price.

L_0, L_1 = labor indices applicable to the appropriate industry in the country of origin on the base date and date for adjustment, respectively.

M_0, M_1 = material indices for the major raw material on the base date and date for adjustment, respectively, in the country of origin.

The bidder shall indicate the source of the indices and the base date indices in its bid.

The coefficients a , b , and c as specified by the purchaser are as follows:

$a =$ *[insert value of coefficient]*

$b =$ *[insert value of coefficient]*

$c =$ *[insert value of coefficient]*

Base date = thirty (30) days prior to the deadline for submission of the bids.

Date of adjustment = *[insert number of weeks]* weeks prior to date of shipment (representing the mid-point of the period of manufacture).

The above price adjustment formula shall be invoked by either party subject to the following further conditions:

- (a) No price adjustment shall be allowed beyond the original delivery dates. As a rule, no price adjustment shall be allowed for periods of delay for which the supplier is entirely responsible. The purchaser will, however, be entitled to any decrease in the prices of the goods and services subject to adjustment.
- (b) If the currency in which the contract price P_0 is expressed is different from the currency of origin of the labor and material indices, a correction factor will be applied to avoid incorrect adjustments of the contract price. The correction factor shall correspond to the ratio of exchange rates between the two currencies on the base date and the date for adjustment as defined above.
- (c) No price adjustment shall be payable on the portion of the contract price paid to the supplier as advance payment.

 - (f) Fully cooperate with any investigation conducted by the Fund, including by making personnel available for interviews and by providing full access to any and all accounts, premises, documents and records (including electronic records) relating to the relevant IFAD-financed and/or IFAD-managed operation or activity and to have such accounts, premises, documents and records audited and/or inspected by auditors and/or investigators appointed by the Fund;
 - (g) Maintain all accounts, documents and records relating to an IFAD-financed and/or IFAD-managed operation or activity for an adequate period of time, as specified in the relevant financing agreement; and
 - (h) Maintain strict confidentiality regarding any and all information received as a consequence of their participation in an IFAD investigation or sanctioning process.
12. Where the Fund finds that prohibited practices have occurred, recipients will: (a) Take appropriate corrective measures in coordination with the Fund; and (b) Give full effect to any temporary suspension or sanction imposed or recognized by the Fund, including by not selecting a bidder, not entering into a contract or suspending or terminating a contractual relationship.
13. Prior to the implementation of an IFAD-financed and/or IFAD-managed operation or activity, government recipients will inform the Fund of the arrangements that they have made for receiving and taking action in response to allegations of fraud and corruption relating to the IFAD-financed and/or IFAD-managed operation or activity, including by designating an independent and competent local authority to be responsible for receiving, reviewing and investigating such allegations.
14. When participating in an IFAD-financed and/or IFAD-managed operation or activity, government recipients will, in consultation with the Fund, take timely and appropriate action to launch a local investigation into allegations and/or other indications of fraud and corruption relating to the IFAD-financed and/or IFAD-managed operation or activity; inform the Fund of the actions taken in any such investigation at such intervals as may be agreed upon by the recipient and the Fund on a case-by-case basis; and, upon the completion of such investigation, promptly share the findings and results thereof, including the supporting evidence, with the Fund. Government recipients will work with the Fund to coordinate any actions other than investigations that they may wish to undertake in response to an alleged or otherwise indicated prohibited practice.
15. Government recipients are encouraged to have in place, in accordance with their laws and regulations, effective whistle-blower protection measures and confidential reporting channels in order to appropriately receive and address allegations of fraud and corruption relating to IFAD-financed and/or IFAD-managed operations and activities.

E. Process

(i) Reporting

16. A designated confidential and secure e-mail address for the receipt of allegations of prohibited practices is available on the Fund's website.
17. In the event of uncertainty as to whether or not an act or omission constitutes a prohibited practice, the designated confidential and secure e-mail address may be used to seek guidance.
18. The Fund treats all reported allegations with strict confidentiality. This means that the Fund does not normally reveal the identity of a reporting party to anybody outside of the investigative, sanctioning or disciplinary process without the consent of the reporting party.
19. The Fund endeavours to provide protection from retaliation to any individuals or entities that have helped prevent or have reported to the Fund, in good faith, allegations or other indications of prohibited practices. IFAD staff and non-staff personnel are protected from retaliation under the Fund's Whistle-blower Protection Procedures.

(ii) Investigations

20. Where the Fund has reason to believe that prohibited practices may have occurred, the Fund may decide to review and investigate the matter, irrespective of any investigative actions launched or planned by the recipient.
21. The purpose of an investigation conducted by the Fund is to determine whether an individual or entity has engaged in one or more prohibited practices in connection with an IFAD-financed and/or IFAD-managed operation or activity.
22. Reviews and investigations conducted by the Fund are, inter alia:
 - (a) Strictly confidential, meaning that the Fund does not disclose to anyone outside of the investigative, sanctioning or disciplinary process any evidence or information relating to the review or investigation, including the outcome of a review or investigation, unless such disclosure is allowed under the Fund's legal framework;
 - (b) Independent, meaning that no authority is allowed to interfere with an ongoing review or investigation or to otherwise intervene in, influence or stop such a review or investigation; and
 - (c) Administrative, as opposed to criminal, in nature, meaning that reviews and investigations conducted by the Fund are governed by the Fund's rules and procedures, not by local laws.
23. The office within the Fund that is mandated to conduct reviews and investigations into alleged or otherwise indicated prohibited practices is the Office of Audit and Oversight (AUO). Without prejudice to paragraphs 9(d) and 11(f), AUO may agree not to disclose to anybody outside of AUO any evidence or information that it has obtained on the condition that such evidence or information may be used solely for the purpose of generating new evidence or information, unless the provider of the evidence or information consents.

F. Sanctions and related measures

(i) Temporary suspensions

24. During the course of an IFAD review or investigation, or pending the conclusion of a sanctioning process, the Fund may decide, at any time, to temporarily suspend payments to

IFAD non-staff personnel, non-government recipients, vendors or third parties or to temporarily suspend their eligibility to participate in IFAD- financed and/or IFAD-managed operations and activities for an initial period of six (6) months, subject to a possible extension of that suspension for an additional six (6) months.

25. IFAD staff may be temporarily suspended from their duties in accordance with the applicable human resources framework.

(ii) Sanctions

26. If the Fund determines that IFAD non-staff personnel, non-government recipients, vendors or third parties have engaged in prohibited practices, the Fund may impose administrative sanctions on such individuals or entities.

27. Sanctions are imposed on the basis of: (i) the findings and evidence presented by AUO, including mitigating and exculpatory evidence; and (ii) any evidence or arguments submitted by the subject of the investigation in response to the findings presented by AUO.

28. The Fund may apply any of the following sanctions or a combination thereof:

- (a) Debarment, which is defined as declaring an individual or entity ineligible, either indefinitely or for a stated period of time, to: (i) be awarded any IFAD- financed contract; (ii) benefit, financially or otherwise, from any IFAD- financed contract, including by being engaged as a subcontractor; and (iii) otherwise participate in the preparation or implementation of any IFAD- financed and/or IFAD-managed operation or activity;
- (b) Debarment with conditional release, which is defined as a debarment that is terminated upon compliance with conditions set forth in the sanction decision;
- (c) Conditional non-debarment, which is defined as requiring an individual or entity to comply with certain remedial, preventive or other measures as a condition for non-debarment on the understanding that a failure to comply with such measures within a prescribed period of time will result in an automatic debarment under the terms provided for in the sanction decision;
- (d) Restitution, which is defined as a payment to another party or the Fund (with respect to the Fund's resources) of an amount equivalent to the amount of the diverted funds or the economic benefit obtained as a result of having engaged in a prohibited practice; and
- (e) Letter of reprimand, which is defined as a formal letter of censure for the actions of an individual or entity which informs that individual or entity that any future violation will lead to more severe sanctions.

29. The Fund may extend the application of a sanction to any affiliate of a sanctioned party even if the affiliate has not been directly involved in the prohibited practice. An affiliate is defined as any individual or entity that is: (i) directly or indirectly controlled by the sanctioned party; (ii) under common ownership or control with the sanctioned party; or (iii) acting as an officer, employee or agent of the sanctioned party, including owners of the sanctioned party and/or those who exercise control over the sanctioned party.

30. For the purposes of IFAD-financed and/or IFAD-managed operations and activities, the Fund may consider as debarred individuals and entities that have been debarred by another IFI where: (i) that IFI is a signatory to the Agreement for Mutual Enforcement of Debarment Decisions;

and (ii) such debarment meets the requirements for mutual recognition under the Agreement for Mutual Enforcement of Debarment Decisions.⁸

(iii) Disciplinary measures

31. If the Fund finds that IFAD staff have engaged in prohibited practices, the Fund may apply disciplinary measures and may require restitution or other compensation in accordance with the applicable human resources framework.

G. Referrals and information-sharing

32. The Fund may, at any time, refer information or evidence relating to an ongoing or completed investigative, sanctioning or disciplinary process to the local authorities of a Member State. In determining whether such a referral is appropriate, the Fund takes into consideration the interests of the Fund, the affected Member States, the individuals or entities under investigation and any other persons, such as witnesses, who are involved in the case.

33. If the Fund obtains information or evidence indicating potential wrongdoing in connection with the operations and/or activities of another multilateral organization, the Fund may make such information or evidence available to the other organization for the purposes of its own investigative, sanctioning or disciplinary processes.

34. In order to facilitate and regulate the confidential exchange of information and evidence with local authorities and multilateral organizations, the Fund seeks to conclude agreements which establish the rules for such an exchange.

H. Operational responses to Prohibited Practices

(i) Rejection of an award of contract

35. The Fund may refuse to give its no-objection to the award of a contract to a third party if it determines that the third party, or any of its personnel, agents, sub-consultants, subcontractors, service providers, suppliers and/or their employees, engaged in a prohibited practice while competing for the contract in question.

(ii) Declaration of misprocurement and/or ineligibility of expenditures

36. The Fund may, at any time, declare a misprocurement and/or the ineligibility of any expenditures associated with a procurement process or contract if it determines that a third party or a representative of the recipient has engaged in a prohibited practice in connection with the procurement process or contract at issue and that the recipient has not taken timely and appropriate action, satisfactory to the Fund, to address such practices when they occur.

(iii) Suspension or cancellation of loan or grant

37. If the Fund determines that a recipient has not taken timely and appropriate action, satisfactory to the Fund, to address prohibited practices when they occur, the Fund may suspend or cancel, in whole or in part, the loan or grant affected by such practices.

⁸ The Fund may, in the future, decide to also recognize debarments imposed by entities that are not signatories to the Agreement for Mutual Enforcement of Debarment Decisions.
